**Re: CSA Proposed Amendments Relating to the Offering Memorandum Exemption**

Dear Madams:

I am writing to comment on the proposed amendments to NI 45-106, in particular the proposed annual investment limits for non-accredited investors.

I am aware of the risks that are associated in investing in the exempt market and would petition that the existing rules now are adequate and there should not be a changes made to capping investment limits for non-accredited investors.

This submission is being made on my own behalf.

If you would like further elaboration on my comments, please feel free to contact me at

Regards,

David Garrett
