##### **CANADIAN DERIVATIVES CLEARING CORPORATION (CDCC)**

The Ontario Securities Commission is publishing for public comment the proposed amendments to the CDCC Rules regarding cybersecurity.

The purposes of the amendments are to establish cybersecurity requirements and to allow the clearing agency to monitor its clearing members' compliance with those requirements.

The comment period ends on July 12, 2023.

A copy of the CDCC Notice is published on our website at <http://www.osc.ca>.
